## Freedom of Information Act 2000

Thank you for the Freedom of Information Request you have made. The information you have requested for questions 1 and 2 can be found in the attached Excel spreadsheet.

Please note that some information has been withheld. This information is exempt under Section 40(2) (Personal information) of the Freedom of Information Act 2000 (the Act). Where the number is 5 or less, the Trust has replaced the figure with 'equal to or less than 5' ("≤5"). The numbers have been withheld to prevent individuals being identified; this is in line with the Information Commissioners guidance of anonymization, which mitigates the risk of individuals being identified. The Trust considers that individuals could potentially be identified from the very low numbers and that such identification would constitute a breach of one of the principles set out under the Data Protection Act 2018. This is on the basis that it could be combined with other reasonably available information to identify individuals. As this is personal data, disclosure under Freedom of Information is conditional upon satisfying the First Data Protection Principle, that processing be fair, lawful and transparent. We recognise that there is a public interest in transparency and accountability in public decision making. We have balanced this against the privacy rights of the individual data subjects.

On balance, we consider the detriment to privacy through disclosure outweighs the interest that would be served. Accordingly, disclosure would be in contravention of the First Data Protection Principle. It is therefore appropriate for us to withhold this information under section 40(2) (Personal information) of the Freedom of Information Act 2000 (the Act) by virtue of section 40(3A)(a). We are therefore exempting this part of the request under section 40(2) of the Act by virtue of section 40(3A)(a) of the same Act.
